HOW DO I APPLY FOR ASSISTANCE?

BayCISS works with all the schools within the region to identify families in need of assistance.

If you have a student in need, or a family who could benefit from assistance with costs of specified activities, contact us today for an application form.

Give us a call at BayCISS to discuss how we can work together for those most in need.

Schools participating in the program are expected to provide acquittal information pertaining to funds allocated.

We also encourage stories about the positive impact of the assistance to the child or their family.
